INTRODUCTION

Northeastern Pennsylvania (NEPA) is one of the nation's premier distribution locations. Firms such as Amazon.com, Bimbo Bakeries, Wegmans, Core-Mark, Lowe's, The Home Depot, Kimberly Clark, Michaels, American Eagle Outfitters, Chewy.com, Patagonia, Adidas, Corning, and many more operate major distribution centers here.

NEPA's immediate access to five interstate highways, close proximity to major metro areas, quality workforce, and availability of Class A industrial space, have combined to make this area a major logistics hub.

Fortunately, there are many support services in NEPA for distribution operations. Mericle has gathered contact information for many of the local firms **that will help your business be successful in our area**. We encourage you to use these NEPA businesses.

Sincerely,

Bob Besecker
Vice President
