LOCAL ECONOMIC REVITALIZATION TAX ASSISTANCE PROGRAM (LERTA)

Companies that move into CenterPoint have the opportunity to dramatically lower their operating costs due to a long established tax abatement program. Every building constructed in Mericle's CenterPoint Commerce & Trade Park receives a 10-year, 100% real estate tax abatement on improvements via the Local Economic Revitalization Tax Assistance (LERTA) program. This abatement program was approved by Luzerne County, the Pittston Area School district, Jenkins Township, and Pittston Township.

The annual real estate taxes you will save when you move into a LERTA-approved building in CenterPoint may vary depending upon the cost of construction required to meet your exact specifications. **Contact Bob Besecker, Jim Hilsher, or Bill Jones of Mericle's Leasing Team for a detailed savings estimate.**
